TO: BC's Distribution List for International Competitive Bidding

DATE: 27-JULY-2020

SUBJECT: Notification of Intent (NOI) to Issue an Invitation for International Bidding (IFIB) for development of a NEC CCIS enterprise type JavaScript client and Java EE server application at NEC CCIS System Support Center (SSC) Kolsaas, Norway.

1. In accordance with the stipulations of the Bi-SC procurement Directive 60-70, Annex B, the following information is provided on an Invitation for International Bidding (IFIB) that this headquarters has the intention to release.

IFIB Reference Number : **ACT-JWC-20-70**

Title of IFIB : On site Engineering Support for NEC CCIS upgrade - MAGNUM.

Requirement

- 1) JWC is seeking on site engineering support for developing an enterprise type JavaScript application, complementing the existing NEC CCIS client/server solution. The new client is based on ExtJS. The existing Java client is form-based, and the user interface is specified using an in-house tool. As part of this task, the in-house tool must also be updated to create content for the new JavaScript application. Skills required include JavaScript, preferably ExtJS, as well as Java EE in order to build functionality on both the server and client tiers.
- 2) System administration support for the System Management and Test Section (SMTS) team in the NEC CCIS System Support Centre (SSC).

Type of contract : Firm Fixed Price (FFP) level of effort.

Period of Performance : Base Period: January 2021 – 31 December 2021
Option Periods: 4
01 January 2022 thru 31 December 2025

Bidding Procedure : Sealed Bidding, Three-Envelope method, Lowest Price Technically Compliant (LPTC).

Funding : Subject to funding: Military Budget
Estimated cumulative amount NOK 26,000,000.00

Classification : BC-164-2021-722112
NATO UNCLASSIFIED

Issue Date : August 2020, planned

Bid Closing Date : October 2020, planned

Eligibility : Companies from all NATO member nations contributing to the financing of the budgets/requirements, which have performed similar contracts within the last three years substantially similar in scope to the requirement described in the solicitation. Contractor personnel performing services under the contract must be citizens of a NATO nation, be able to obtain a valid NATO Secret level security clearance by contract start date, be able to conduct the engineering at NEC CCIS SSC's facilities at Kolsaas, and have appropriate professional training and experience in related field(s).

Delivery location(s) : NEC CCIS SSC, Kolsaas, Norway

Partial bidding : Partial Bidding is not authorized

Web site : <http://www.jwc.nato.int/organization/contracting>

2. JWC will directly e-mail this IFIB to all potential bidders and will post the tender documents on the Web site above. Firms that have already been identified are listed in the annex. You are hereby invited to nominate, **by email before 27 AUG 2020** - the name, full address, Point of Contact, telephone, of other potential bidders established within your country. This and any other correspondence hereto is to be addressed to:
